

Just 2 Hours!

Dear Parents,

As the board members of the Desert Mountain Elementary School (DME) Parent Teacher Organization (PTO) we are very excited to work with you, your students, and the DME staff to provide the best education possible for your students. One way to improve your student's education is for you to get involved at the school.

Research shows that schools with a broad base of involved parents perform significantly better on all types of school achievement measures. As a member of the PTO board I would like to invite you to get involved with the PTO and other school functions to help improve our school.

This year, we are asking all parents to commit **Just 2 Hours** as a school volunteer. This can be done in many different ways to fit your skills and availability. The Desert Mountain Elementary School PTO is currently conducting a survey of parents and their skills and resources to help us know how you might be able to help the school achieve excellence.

Please take a moment and tell us about yourself and the resources you have that you would be willing to share with the school. This survey will only be used to help us gather information and to connect you with the best way to volunteer at Desert Mountain Elementary School. If you have any additional ideas, comments, or suggestions we invite you to let us know. We want to see our students excel at Desert Mountain Elementary School and we believe that **Just 2 Hours** from everyone will make a difference.

We'd love you to volunteer for **Just 2 Hours!** And we promise there's no obligation when you fill out this form. This information will be used to connect you with a volunteer position you would enjoy doing.

Together, we can make a huge difference at our school! Please join us and volunteer today!

Thank You,

2011-2012 PTO Board Members
